Tips for a Safe Show
 We anticipate a large crowd of visitors and motorized vehicles, it is necessary for everyone to follow certain safety rules:
 Pedestrians have the right of way (they may not hear or see a vehicle)
 All vehicles must obey the one way signs.
 All vehicles must display permit
 No mowers with active deck.
 Each operator must have a valid drivers license.
 No vehicles are allowed in the flea market area unless handicapped.
 All passengers must be seated while vehicle is moving.
 EMS services are available during show times.
 Pets need to be kept on leashes during the show, owner is responsible for "cleaning up" after their pets.
 Thank you for your cooperation!

Note to School Children

We would ask that the school children please refrain from getting into or sitting on any of the exhibits here at the show. Please treat the displays with the same respect and pride as they are shown here for you. We hope your time will be well spent and that you can go home with an appreciation of how your forefathers lived, worked and died. If you have questions about the exhibits, please ask someone to explain it to you. Thank you for visiting our show today. We hope you enjoyed your trip back through time and hope you can come back next year. A special "Thank You" to each school for letting us share our past heritage with your children. Please plan to attend next year!
