

# Southwestern Virtual Academy

*An unparalleled online learning experience  
for students in grades K-12!*

**“This is a great program  
that offers students and parents  
flexibility for learning while encouraging  
independence and self-discipline.”**

## Personalized, Supportive and Quality-Focused – an Online Learning Program to Meet Your Individual Needs

The **Southwestern Consolidated School District** has been educating students for many years and knows what it takes for students to be successful in today's competitive world as they pursue college or a career.

Southwestern Virtual Academy is an online learning program designed to offer students greater flexibility and diverse educational opportunities while also providing the support parents and students need to achieve success. As educators, we know every student has their own unique learning style with diverse needs and interests. We can provide an individualized learning experience that allows each student to reach their highest potential!

### UNIQUE OPPORTUNITIES

*Southwestern Virtual Academy students benefit from the flexibility of an online learning program and the unique opportunities provided by the school district. Our Virtual Academy students can:*

# What Parents Say About District-Supported Online Learning Programs:

“The online program let my daughter focus more.”

“My daughter was able to continue her education around her doctor appointments and work.”

“This was a great way for us to see if our son was ready for college... he also was able to have a part time job to make money for college.”

“This program really worked out for our son as he had anxiety problems.”

“If this program was not available to our daughter I think she may not have graduated this year.”
