We would love to meet veterans and service members in our community. Everyone is invited to attend a presentation with New York City Firefighter, Charlie Gussman.

Gussman, is a retired Battalion Commander and served the FDNY for 31 years. His Battalion lost 20 members on 9/11. Charlie himself is a U.S. Air Force Vet. and served in Vietnam for 2 years. He is also a dedicated volunteer for the Stephen Siller Tunnel to Towers Foundation.

He will be at the showroom to present a shadowbox containing steel from Ground Zero to Griswold Carpet One.

Gussman will be speak about Building for America's Bravest, and about building Smart Homes for our most catastrophically injured service members returning home.
