Outreach Initiatives

Darrell Solberg Sales Training- Establishment of training programs & other programs designed to enable station personnel to acquire skills that could qualify them for higher level positions. Darrell is hired on a yearly basis (since 1995) by Carroll Broadcasting to help with new hires and current marketing representatives to help them reach their fullest potential. He visits 4-6 times per year. Kim Hackett- General Manager and Deb Lupardus- Local Sales Manager are involved in the initiative.

Deb Lupardus and Carly Masching participates in events or programs sponsored by DMACC and Kuemper students throughout the year to discuss marketing strategies and explain how what they are currently studying is incorporated into our daily activities as marketing representatives. Answer questions and give different ideas on how to market radio.

Carroll Broadcasting has a high school job shadowing program where we have hosted several area high school students that have expressed an interest in radio. Students were allowed in studios during air shifts to observe and ask questions. We provided all information to students about all aspects of broadcasting including live broadcasts. Sports, news, music responsibilities,

production and more. Including future job prospects and opportunities. John Ryan-Operations Manager/Program Director is involved in this initiative.

Carroll Broadcasting participated in a Job Fair March 2015 at Carroll High School. We partnered with our local Carroll High School to promote job openings in the Carroll and surrounding areas to students and adults in our listening area. There were over 61 businesses that participated. Kim Hackett-GM, Deb Lupardus- Local Sales Manager and John Ryan-Operations Manager were involved in this initiative.
