

# Audubon Chamber of Commerce Banner Project

The Audubon Chamber of Commerce is working on a project to hang banners on the ornamental light poles around the square. A preview of what the banners will look like is below.

We are seeking sponsorships to fund this project. The banners will be \$200 for a sponsorship with your name printed right on the flag; In memory of, in honor of, or sponsored by businesses or a private sponsorship. This sponsorship fee will also include maintenance (including repair and replacement) for the next 3 years. The banners are 2-sided and are 2ft by 3ft.

These will add so much distinction and character to our downtown and we hope you will be happy to be a part of our beautification project. Our goal is to have these up for T-Bone Days.
