“Christmas Moose”

The Christmas Hamper Program begins when a family submits an application.

We speak to the parents/caregivers to find out what their children’s interest. Their request is then written onto a Christmas moose ornament, capturing each child’s specific interest, and put on the FCSS Christmas tree.

Community members can look through the ornaments and choose a moose and sign out for that child’s gift. The gift will then be returned to FCSS before December 12th.
