Wabash Trails Park

The Vincennes Twp Fire Summer Camp is an excellent opportunity that allows children to experience and understand what a Firefighter / EMT does on a regular basis. This program is targeted for children 10 – 12 years of age and the activities will be directed accordingly. Campers will actually participate “hands on” with equipment and have the opportunity to learn skills while performing at mock fire and rescue situations. It is the mission of our instructors to inspire the participants and to teach them team building and valuable lifesaving skills while having fun.
