**AUCTIONEER'S COMMENTS:** This business was built by the Cobb family in 1949; after 68 yrs in the automotive sale and service business they have sold their facility and are offering a very nice line of good well cared for tools and equipment. We have lots to unpack so come expecting some surprises. *We invite you to spend the day with us and hopefully you can purchase a piece of "Stuart" history.*

Lions Club lunch wagon and porta pots on grounds
