grounds

**AUCTIONEER'S COMMENTS:** Tim passed way too early in life. He was one of those guys you liked to visit with and he loved going to auctions. This is one of those auctions you do not want to miss. The building was stacked very deep so we are sure there will be some surprises. We hope you make plans to spend the weekend with us in the convenience of our Community Center. **Please note 2 rings will run so bring a friend!**
