**Local Weather Sponsorship** – KVAK Radio broadcasts a :20 second local weather forecast every hour on both our 93.3FM & 1230AM stations. As a sponsor of the local weather, business would have a :10 second tagline air before the weather forecast on a rotating basis. The business tagline will air every four hours for a total of six taglines each day on both stations. Research shows local weather is the most listened to spot on radio.
