

KVAK Radio Sports Shorts & Preview Shows

November 1st through April, 2016

Volleyball, Swimming, Basketball, Wrestling, Cross Country Skiing
Volleyball, Wrestling, Track & Extra-Curricular Activities

KVAK will continue our new format for our local sports and activities coverage. Throughout the school year, we will work with VHS and GMS administration to schedule interviews that feature kids in athletics and extra-curricular activities. Fridays, we will preview upcoming events and the preview shows will have expanded coverage of our local teams and upcoming competitions. The program has been expanded for 2016, to cover more of the school year, which means additional exposure for sponsors.
