The Difference That Makes the Difference in How Everything Else Turns Out for Our Kids

We all want our kids to be happy, to behave, and to have success in their lives now and later. **Circle of Security Parenting** shows us the secret ingredients to that recipe – and how we’ve already got them available. Come learn about this new offering in our community. We can raise our children to get along with us and one another while they are little so that they will turn to us in those teen years when they’ll need us the most. **Join us for a fun, informative gathering!**
