The following rules are specific to electronic (internet, email or online forms) contests on River Radio Stations.

1. Time delay between over-the-air analog signal and other signal delivery: Due to the time delay that exists between the Station's analog over-the-air signal and the station's online webcast, listeners who listen to

the station online may hear contest information or a cue to call in later than listeners listening to any River Radio analog over-the-air signal. As a result, the odds of an online listener winning this Contest may be diminished.

2. Any problems with the internet or email are not the responsibility of River Radio.

3. For any contest requiring an on line entry form: all required fields must be filled out or you will be disqualified.
