III. RECRUITMENT INITIATIVES

	Tye of recruitment initiative (Menu selection)	Brief Description of Activity
3	Establish training program designed to enable station personnel to acquire skills that could qualify them for higher level positions	Our employment unit Vice-President/General Manager integrates training components into weekly meetings: Program Meetings specifically focus on improved on-air delivery, more effective communication and emotional connection techniques in relating with station's listeners, and critical skills necessary to advance careers in radio programming. Sales and marketing meetings focus on training designed for better managing relationships with customers, improved copy writing, client promotional brain storming in identifying steps to improve customer's business. and key skills for advancement to management.
4	Participate in Scholarship Programs	During this reporting period, our employment unit participated in the to the Texas Association of Broadcasters' Texas Broadcasters' Education Foundation scholarship program, which provides scholarships to students majoring in broadcast media and telecommunications. TBEF annually awards scholarships to outstanding students pursuing a degree in broadcast journalism, production or engineering at universities, colleges and technical schools across the state of Texas. Scholarships include eight \$3,000 scholarship and two \$5,000 scholarships. Our employment unit helped promote the program by providing and disseminating information on types and number of TBEF scholarships available during job fairs that we attended, ran on-air announcements and posted on station websites with scholarship information.
5	Internet Outreach/Job Bank	Our employment unit is a founding partner of local job site, RegionalHelpWanted.com, with Suddenlink Cable System. Our employment unit continues to promote daily on-air and on stations websites.
6	Internship	During this reporting period, employment unit partnered with the University of Texas of the Permian Basin to create an internship with UTPB's broadcasting department to enable the university students to create and produce a weekly radio sports show that covers all sports at UTPB. It is aired weekly year round on KQRX-FM. The students have learned interviewing, editing, and final show production. The students work regularly with our employment unit's Operations Manager to get critical feedback and instruction on all aspects of the shows production.
