

LIMITED WAIVER OF FIRE RESTRICTIONS

WHEREAS, a Fire Restriction Order was issued on June 15, 2018 by the Utah State Forester, restricting, among other things, the discharging of fireworks upon any unincorporated private or state lands within Carbon County; and

WHEREAS, the Carbon County Sheriff has the right and responsibility to enforce the statutory fire control provisions of 65A-8-209 in conjunction with the Utah State Forester. The Carbon County Sheriff also has the duty to provide the initial attack on any wildfire pursuant to the Cooperative Agreement between the County and the Utah Division of Forestry, Fire and State Lands and pursuant to U.C.A. §65A-8-202(3)(b) ; and

WHEREAS, the Carbon County Sheriff has determined that the Carbon County Fairgrounds poses little risk of creating a wildfire situation that will require any state resources, as the location will be well monitored by local fire crews during the fireworks and is located in an area of sparse vegetation; and

NOW THEREFORE, the Carbon County Sheriff does hereby authorize Carbon County Residents to light fireworks on the evening of July 4, 2018 during the legal hours of discharging fireworks in the parking lot areas of the Carbon County Fairgrounds, (see attached Map) and grants a waiver to Carbon County from the State fire exemption.

DATED this 3 day of July, 2018.
