KING FM 98.1

Position Posting

Title: Internet Operations/Webmaster
Department: Programming

KING FM is an award winning leader in online broadcasting with content in online streaming channels, YouTube, Facebook, websites and more. We are seeking a motivated **web developer** who has a passion for everything Internet. Our ideal candidate thrives on creative challenges and is constantly working to grow and learn. The successful candidate will work with all departments inserting and positioning content across all platforms on their behalf, will track that content, then report. Do you enjoy a dynamic and challenging environment, working at a cutting edge online radio/online station with a team committed to sharing classical music with new generations? Join us!

Number of weekly hours: Full time 40 hours a week.

Brief Description of Responsibilities:

- Inserts all content from all departments into online platforms, including website, Web player, YouTube, SoundCloud, listener newsletters, social media, App, etc.
- Troubleshoot website issues with vendors.
- Includes resolving problems with streams/apps
- Analytics: On a monthly basis, record, analyze and share statistics across all platforms.
- Answer questions and troubleshoots issues across all platforms.
- Newsletters: Build biweekly newsletters
- Monitor streams, restart encoders, manage pre-rolls, etc.

Qualifications

- Experience with social media platforms to enhance marketing and product campaigns.
- Strong Wordpress experience; familiarity with Responsive Design and mobile web solutions.
- SEO knowledge; Google Analytics, AdWords, other webmaster tools
- Ability to work collaboratively, plan and manage multiple tasks, assignments, projects and deadlines; Ability to work independently with excellent time management skills.
- Excellent written and verbal communication skills; detail-oriented.
- High School Diploma/GED a must, though a Bachelor's degree in computer science, communications or related field strongly preferred.
- Classical music knowledge preferred.
