**FAQ's**

**How will I know what class/session I am in?**

Your receipt is your confirmation. In addition, registered participants will receive a notification email 1 week prior to the start of each session.

**Can I have make-ups if I miss a class?**

Absences will not result in any refund of class fees. Classes that are canceled by the YMCA will be rescheduled for make-up if possible or issued a class credit. For more information on cancellation/absences see our Program Registration & Policies.

**I tried to register but the class is filled, can an exception be made?**

Unfortunately, no. Each class has a limited number of slots available, please see if another class time works in your schedule.

**Can I request an instructor for classes?**

Instructor requests are reserved for private/semi-private personal training and can be arranged with the instructor.

**If I am registered in a current class will it roll-over to the next session?**

All current class participants must re-register prior to the start of each session. Registration closes 14 days after start date of the class.

**If my class is canceled how will I know?**

Communication will be sent via email, unless emergency. Please list above the best contact information.
