

3rd Annual Art Auction

Thursday, December 14th, 2017 from 5 -7 pm

Everyone is invited to attend our 3rd Annual Art Auction. It will be held in the Trigg County Middle School Gym. Please use the front entrance of the Middle School by bus drop off. This will be a silent auction and there will be bid sheets beside each piece of artwork that will be labeled with the class name (It will be the teacher's name that they go with to explore.) and a starting bid. We will have three rounds at the auction. We will have the artwork displayed and set up on tables with different color table cloths. Each color will represent an end time for those classroom projects. Below you will find a chart with information regarding each classrooms bid time. We wanted to make this easier by letting each parent know when their students work would be selling that night. Also, follow our school pages on Facebook to see the artwork that will be sold!

Round #1 will be on sale from 5 pm – 5:45 pm. All bid sheets will be collected at 5:45 pm!
