

"Ready for School"

Memories of Country Schools in the Tri-County Area

36-pages 12x12-inch black and white booklet filled with lots of black and white photos.

Everyone remembers their school days. This book is a snapshot of one-room and country schools. Memories everyone cherishes of a childhood without the Internet and Wii. The number of photos alone will make you smile as you recall your own school days. Beautifully designed 12x12 36-page book.
