RE: KVLV Whistle Blower Investigation November 4th, 2015

Review board,

Due to the KVLV Whistle Blower article aired on November 4th, 2015, a criminal and subsequent internal joint/parallel investigation was launched by both the Jamestown Police Department and Stutsman County Sheriff's Department. This was done at the request of Sheriff Kaiser and me.

The criminal investigation was to attempt to determine if there were criminal acts perpetrated by anyone involved in the incident. Once that investigation was completed it was forwarded to Cass County Assistant State's Attorney Cherie L. Clark. Ms. Clark concluded there was insufficient evidence to support a criminal prosecution against anyone involved. A copy of that letter is included in the packet.

Once that investigation had been forwarded for review, the parallel internal investigation ran. Nearly forty individuals were interviewed by both Major John Johnson (JPD) and Major Jason Falk (SCSO). That complete packet is included.

Sincerely,

Scott Edinger
