Mayor Andersen and Council Members  
City Hall  
102 3<sup>rd</sup> Avenue SE  
Jamestown, ND 58401

Dear Mayor Andersen:

I would like to inform you and the City Council that I am retiring from my position as City Administrator with the City of Jamestown, effective December 31, 2017.

I would like to thank you, the current city council and all previous mayors and council members for the numerous opportunities for professional and personal development that everyone has provided me over the past 40 years. I have thoroughly enjoyed working for the City of Jamestown and its residents and appreciate the support provided me during my tenure with the City.

Little did I know, when as an 18 year old college business administration student at Jamestown College that a simple phone call from my predecessor Rex Brisben, then City Auditor, inquiring whether I was interested in part-time employment with the city, would lead to a lifelong career serving our community.

While I look forward to enjoying my retirement, I will miss the work, colleagues and the many good residents that I have had the pleasure to be associated with during my tenure. I will especially miss Jay, Cindy and Lynette as we have worked together as a nucleus for many years, having a combined 146 years of service to the City of Jamestown.

As you and I have previously discussed, I would be open to continue to do some limited part-time work on various projects, as needed following my retirement, should you and the City Council feel it warranted during the transition to new leadership.

Sincerely,

A handwritten signature in cursive script that reads "Jeff Fuchs".

Jeff Fuchs  
City Administrator
