

David and Lesley Erlandson

Family Donations

On the evening of Wednesday, February 26th, there was an explosion and a subsequent house fire at the David and Lesley Erlandson residence. While David, Lesley, and their two children (Logan - 2018 graduate and Bo - 8th grader) are safe and thankful to be alive, the family lost everything.

In an effort to support the family's immediate needs, Valley City Public Schools has established a benefit fund for David and Lesley, and family at First Community Credit Union in Valley City. Anyone wishing to make a monetary donation to this fund may contribute at either the VCPS Central Administration Offices, or at the First Community Credit Union.

Immediate Financial Donations are Needed!
