

# **SCHOOL RESOURCE COLLECTION**

The district has established the process for collecting school resources and returning students' personal belongings from lockers, desks, etc. The school resources being collected may include: textbooks, library books, tech devices, etc. If you were issued an additional technology device for Distance Learning during the COVID-19 pandemic, please return this device on the date of the resource collection. Any student in grades 4th-11th with a school-issued iPad may keep this device thru the summer.
