RE: Summer Programs

Valley City Public Schools has traditionally provided a wide variety of summer programs for students in our school district. This year, due to the COVID-19 pandemic, the current guidance from our state officials allows us to only provide summer educational programs involving students in groups of 15 or less. Thus, we have currently either modified, suspended, or cancelled each of our summer programs. Below, we have provided a list of our summer programs and the status (modified, suspended, or cancelled) for each of these programs:

Summer School

- Elementary (Modified) – Preliminary planning for July 27th – August 14th
