The Holiday Season is upon us yet again. Usually this time of the year, members of the Fraternal Order of Police James/Valley Lodge #4 is planning and coordinating for the annual Santa, Cops, and Kids program. The purpose of this program is to cheer up kids during the Holiday Season who may have gone through a traumatic experience, loss of a loved one, or the family has financial difficulties. This is a special event for the kids as well as the Police Officers who help out. Due to the rise of active cases of Covid-19 in the area, the board has decided not to conduct the annual Santa, Cops, and Kids event for everybody's safety. This was not an easy decision and our hope is by next year, things will be back to normal. Even though we are not conducting Santa, Cops, and Kids this year, we are looking at other ways to conduct the event in a different format, and cheer up some kids.
