

CURING COLBY

Pancake Feed Benefit

(freewill offering, while supplies last)

November 5th, 2023

Gladstone Inn & Suites

9:30am- 1pm

Colby Schrenk, 8 years old, son of Tyler and Lisa Schrenk was diagnosed with Acute Myeloid Leukemia on February 2nd, 2023. Colby is a little brother to Zach and is a second grader at Roosevelt Elementary. Colby will be facing an extensive treatment plan that will consist of being in the hospital the next several months in Minneapolis, MN. The family will be facing extensive travel costs and medical bills not to mention their daily living expenses.
