3:30-5:00 PM

Stutsman County
Extension Office

502 10th Ave SE,
Jamestown

Who?

We are looking for any community member, local organization, school staff, churches, and city officials to join in and continue the conversation!

Why?

Back in September we started the conversation around what were the strengths, gaps and opportunities in Stutsman County. Now, we want to continue that conversation to dive deeper and hear from more community members.
