

Recommendations from the School Facility Advisory Committee Valley City Public Schools

Presented to the Valley City Public School Board on Tuesday, March 25, 2025

Timeline on a Proposed Referendum Vote – June 10, 2025

Scope (Grade and Location)- Build a new 3-12 school connected to Jefferson Elementary and do not allocate funds or add square feet for district offices or outdoor Recreational Spaces.

Costs- Up to \$46 million.

Intent- Consolidate the number of school district buildings, Ensure the security of the schools, Improve educational adequacy and accessibility, Eliminate deferred maintenance, Maximize operational efficiencies by Selling the District Office building and the Washington School building (excluding Sam’s Field) and Demolishing portions of Valley City High School building including the 1919, 1940, and 1950s.

All recommendations received a unanimous vote from the committee on 03.20.2025.
