

# The Coach Schipper

## Memorial Golf Tourney

Former Central College Football Teammates  
Central College Alumni &  
All other friends of Central College

In the fall of 1961, a young coach by the name of Ron Schipper was given a chance to coach the Central College football team. For the next 37 seasons, he did nothing but mold young boys into gentlemen. As we all know, Coach lived with a passion for the game of football, but more importantly he genuinely cared for each young man that played the game for him. All of us who played for Coach will always live with a part of him in our lives.

This year will be the 6<sup>th</sup> annual Coach Ron Schipper Memorial Golf Tournament, and with your wonderful support the past 5 years we have raised over \$86,000 and have set the bar high this year wanting to hit the **\$100,000** mark for the 6 year total. The Scholarship is given to two students each year that represent the life of Coach Schipper by their practice of family, faith, academic achievement and pursuit of improvement in all that they do.

This year it will be held on Friday, October 3, 2014, which is the Friday of Homecoming Weekend. It will be a 4-person scramble with a 9:30 a.m. shot gun start. The enclosed form outlines hole sponsorship opportunities and registration information. Those of you that have participated in the past know what a great event this is and all the great things we have had for the raffle and auction. We are always looking for these donations to help keep this event what it has been, so if you have items to donate please contact us. Let's fill the course with at least 144 golfers!

We look forward to seeing you Friday, October 3. Once again, let's show Coach we will come together in his honor. Thanks to all of you who have supported the event.

Sincerely,
