# AFTER SCHOOL PROGRAMS

Does your child have a creative side? Does it seem like you are always buying arts and craft supplies? Why not register your child for an art class! We have been offering an interdisciplinary visual arts program for students in Kindergarten-12th grade at the Community Center since 1990. The Art Center encourages students to explore their individual creative needs by defining their own projects. Mediums include sewing, collaging, weaving, sculpting, print making, paper making, painting, puppet making and anything else your child can dream up! At the Art Center we help our students develop an appreciation for the value of learning. The choices at the Art Center are extensive and our creative instructors are able to provide the inspiration and education necessary for students to reach their individual goals. Register early to get your desired class. Please contact the Community Center Offices at 641.628.4571 with any questions.
