

The Panora City Council will be holding a town hall style meeting at the next council meeting on July 13<sup>th</sup>, at the Panora Veteran's Auditorium at 6:30 pm. The town hall will be for those that would like to address the Council regarding the consideration of allowing ATV's and UTV's to be driven on City Streets in Panora. Currently, these types of vehicles are not allowed. The Council would like to hear from all citizens, for and against, to aid in the drafting of a potential ordinance. Written comments are recommended and will be read at the meeting. For those that would like to attend in person, registration will be required in advance in order to protect the health and safety of the board and attendees.

The Council will meet, individually, with those that want to address the council in person. Please fill out the registration information below and return to Panora City Hall by 2pm on Friday, July 10<sup>th</sup>. Registration can be dropped off in person or emailed to [lisagrossman@netins.net](mailto:lisagrossman@netins.net) with the below information. We will assign time slots based on the order the registrations are returned in 5-minute increments. You will need to wait in your car and will be called to come into Veteran's Auditorium at your allotted time to address the council. This will allow the Council to limit the number in attendance, while still being able to listen to all comments and or concerns. The meeting will also be recorded for those that would like to view the meeting in its entirety. Thank you for your cooperation. If there are any questions, please call City Hall at 641-755-2164.
