Cruisin' to the Square: Street closures are requested for Cruisin' to the Square on August 8th as shown on the enclosed map. The Streets Committee recommends approval.

Sewer Forgiveness: The trailer park on Central Avenue owned by Keck Investments had a water leak under one of the trailers resulting in a high water and sewer bill. The Water, Sewer, Streets Committee recommends forgiveness of the sewer charges in the amount of \$727.13.

Airport Land: The Airport Commission and Adam Ebersole, tenant, have reached agreement on the lease of the farm lands around the airport. This is for the 2025 and 2026 growing years with rental rate of \$275 / acre for crop land and \$135 / acre for hay ground.

The amount paid in 2023 & 24 was \$19,516 per year. The amount paid in 2025 & 26 under this new agreement is \$35,605.

Transfers: The Finance Director has prepared a list of year-end transfers to be approved by the Council.

Purchase Sander: The Streets Department proposes the purchase of a stainless steel sander for \$38,303 to replace an old unit which is falling apart. This is a budgeted expense and is recommended for approval by the Streets Committee.

Seal-Coat / Crack Seal: The Street Department proposes to seal coat the alleys and dead-end street extensions (excluding Adams Street) in the NE part of town at a cost of \$33,392. They also propose sealing cracks in the SW part of town and the concrete lot surrounding the water plant. They will do up to \$45,000 in crack-sealing on streets, plus the area by the water plant.

Dave Morlan attempted to obtain additional quotes but did not find companies that provide similar products who wanted to bid.

Golf Course AC: The two air conditioners that serve the upstairs portion of the golf clubhouse have failed. It is proposed to replace the units with the same sized units. Two quotes were obtained. Sloan Plumbing Heating & Cooling was the low bidder at a cost of \$23,049. The other bid obtained was \$30,470.

This is an unbudgeted expense. It is proposed to pay for this with LOST funds.

Hire Water Employee: The selection committee has completed interviews for the Water Operator position and, pending final checks, will make a recommendation for the Council to hire. More information will be forthcoming.

Landlord shall assume liability and shall indemnify and hold Tenant harmless against any liability or expense arising from any condition which existed, whether known or unknown, at the time of execution of the lease which is not a result of actions of the Tenant or which arises after date of execution but which is not a result of actions of the Tenant.

Landlord shall disclose in writing to Tenant the existence of any known wells, underground storage tanks, hazardous waste sites, and solid waste disposal sites. Disclosure may be provided by a properly completed groundwater hazard statement to be supplemented if changes occur.

Landlord may enter upon the Real Estate at any reasonable time for the purpose of viewing or seeding or making repairs, or for other reasonable purposes. Landlord retains the right to use or lease the Real Estate for hunting, fishing, or other recreational purposes, but such use shall not interfere with the regular operation of the farm and notice of entry shall be provided to Tenant three (3) days prior to entry for such purposes. Tenant may not use the Real Estate for hunting, fishing, or recreational purposes.
10. **VIOLATION OF TERMS OF LEASE.** If Tenant or Landlord violates the terms of this Lease, the other may pursue the legal and equitable remedies to which each is entitled. 11. **REPAIRS.** Tenant shall maintain the fences on the Real Estate in good and proper repair. Landlord shall furnish necessary materials for repairs that Landlord deems necessary within a reasonable time after being notified of the need for repairs. I. General Provisions

A. Scope

This policy and procedures shall govern the conduct of the City Council and shall be interpreted to insure fair and open deliberations and decision making.

B. Rules of Order

A basic tenets of Robert's Rules of Order shall assist in guiding City Council meetings; however, the City Council and Mayor are not required to follow every one of Robert's Rules of Order. Failure to follow Robert's Rules of Order shall not invalidate or void any action or consideration of the City Council or the Mayor.

C. Matters Not Covered

Any matter of order or procedure not covered by these rules shall be decided by the presiding officer, with the assistance and advice of the City Attorney.

D. Interpretation

These rules are intended to supplement and shall be interpreted to conform with the Statutes of the State of Iowa and the Ordinances of the City of Jefferson. Should any provision be inconsistent with Iowa law, that provision shall be struck with the applicable Iowa law replacing it.

II. Time and Place of Meetings

A. Regular Meetings

Regular meetings of the City Council are held on the 2nd and 4th Tuesday's of each month at 5:30 P.M. in the City Council Chambers at 220 N. Chestnut Street, Jefferson, Iowa. If such a day falls on a legal holiday, the meeting is held the next business day at the same time unless a different day or time is determined by the City Council.

B. Special Meetings

Special meetings may be called 24 hours in advance in accordance with Iowa law upon call of the Mayor or upon the written request of a majority of the members of the City Council submitted to the City Clerk. The call for a special meeting shall specify the place, day, hour and agenda for the meeting and shall be posted at City Hall and given personally, left at the usual place of residence, or delivered via e-mail to each member of the City Council.

C. Closed Meetings

A closed session may be held only by an affirmative vote of either two-thirds (2/3) of the entire City Council or all of the members present at the meeting. The City Council may hold a closed session in accordance with Code of Iowa Section 21.5, only to the extent a closed session is necessary and for one of the lawful reasons contained in Code of Iowa Section 21.5.

The vote of each member on the question of holding the closed session and the reason for holding the closed session shall be announced publicly at the open session and entered into the minutes. Final action on any matter will be taken in open session. The closed session will be recorded with detailed minutes noting persons in attendance and the general subject discussed. The minutes and recording shall be sealed and not be public record unless an order of the court is made. The minutes and recording shall be retained for a minimum of one year from the date of the meeting after which they may be destroyed.

In order to participate in closed sessions, the Mayor and City Council members must be physically present in the Council Chambers. Participation in closed sessions shall not be allowed via electronic means. Attorneys or other professionals hired by the City Council are allowed to participate via electronic means.

III. Agenda

A. Preparation of the Agenda

Prior to each regular City Council meeting, the City Clerk shall publish an Agenda which contains all items the City Council anticipates acting upon at the meeting. Matters may be placed on the agenda by the Mayor, City Administrator, City Clerk, a City Council Committee, or any two (2) City Council members, in consultation with the Mayor and City Administrator. The City Council may adopt the agenda as presented or may amend the agenda as provided by these rules and then adopt the agenda as amended.

The deadline for agenda item submittal to the City Administrator from elected officials, staff members, or the public shall be no later than Thursday at 12:00 P.M., prior to the Tuesday meeting. City Council packets will be dispersed Friday prior to the Tuesday meeting. After the packets have been dispersed, no items will be deleted or added unless approved by the Mayor and City Administrator. If an item is not ready for action at the time of the meeting, that item will be postponed.

B. Posting and Notification

State law requires cities to develop and post a tentative agenda for each City Council meeting (including work sessions or informal meetings) at least 24 hours prior to the meeting. This applies regardless of where the meeting is held. "Notice" includes advising those media which have requested such notice, posting notifications in prominent and public locations, posting to the City web site, and taking other reasonable measures to inform citizens in advance about each meeting. The City Clerk is usually responsible for complying with these requirements.

C. "Tentative" Agendas

The prepared agenda should be considered "tentative" in case a new subject comes up before the 24 hour deadline. If an item considered is time sensitive and cannot be postponed until the next regular meeting, the item can be added to the agenda by the Mayor.

D. Emergency Matters

Issues that arise less than 24 hours prior to the meeting are best postponed unless a strong case can be made for their emergency inclusion. The City Attorney should be consulted as quickly as possible if a true emergency occurs and an item needs to be added to the agenda. The City Clerk should also make an attempt to notify the designated media about this emergency item.

E. Consent Agenda

The Agenda shall separately designate items on a “Consent Agenda” which may be acted upon by the City Council as a single vote. The “Consent Agenda” shall consist of routine, non-controversial items which, may be appropriately considered in total at the City Council meeting. If any City Council member requests to remove an item from this portion of the agenda, the rest of the consent items will be acted on as a whole with the removed item(s) being voted on separately under business.

F. Public Hearings

All public hearings shall be scheduled for 5:30 P.M. on the day of the meeting at which the hearing is scheduled. Unless it is required by statute or necessary to conform to proceedings required for a special purpose, a hearing shall commence when declared open by the presiding officer and shall be closed by the presiding officer or by other formal action of the City Council.

IV. Conduct of Meetings

A. Call to Order – Presiding Officer

The Mayor, or in the Mayor’s absence, the Mayor Pro Tem, shall be the presiding officer at all City Council meetings. The Mayor or Mayor Pro Tem shall call the meeting to order at the appointed hour. If both the Mayor and Mayor Pro Tem are absent the City Clerk shall call the meeting to order and a temporary presiding officer shall then be selected by the City Council members present.

B. Roll Call

Before proceeding with the business of the City Council, the City Clerk shall call the roll of the members and the names of those present shall be entered in the minutes. The late arrival of any absentee City Council members shall also be entered in the minutes.

C. Quorum Call

During the course of the meeting, should the Mayor note a City Council quorum is lacking, the Mayor shall call this fact to the attention of the City Clerk. The City Clerk shall issue a quorum call. If a quorum has not been restored within a reasonable time limit of a quorum call, the meeting shall be deemed automatically adjourned.

D. Control of Discussion

The presiding officer shall facilitate discussion of the City Council on Agenda items to promote equitable participation in accordance with these rules.

E. Order of Consideration of Agenda

Except as otherwise provided in these rules, each Agenda Item shall be considered in the order shown on the Agenda. Each Agenda item shall be separately announced by the presiding officer, or City Clerk, for purposes of discussion and consideration. This rule shall not apply to consideration of items listed on the Consent Agenda. The Mayor may modify the placement of the Agenda item(s) for good cause.

F. Discussion

A City Council member shall not be interrupted, except by the presiding officer, in the event it is necessary to enforce these rules.

G. Limit on Remarks

Each City Council member shall limit his/her remarks to a reasonable length. A City Council member speaking for a specific purpose shall limit remarks to that purpose.

H. Presiding Officer's Right to Enter into Discussion

The Mayor, or other presiding officer as a member of the City Council, may enter into any discussion.

I. Votes Necessary for Passage

Three (3) affirmative votes are sufficient for passage of an ordinance or resolution, barring statutory requirement for a supermajority. Motions may be passed with the majority of a quorum voting in the affirmative.

J. Mayoral Voting Rights

The Mayor is not a member of the City Council and may not vote as a member of the City Council. The Mayor Pro Tem retains all of the powers of a City Council member.

K. Mayoral Veto Power

The Mayor may sign, veto, or take no action on an ordinance, amendment, or resolution passed by the City Council. The Mayor may not veto a motion passed by the City Council. The Mayor Pro Tem may not veto a measure if he was entitled to vote on the measure at the time of the passage. The Mayor may exercise his/her veto power within fourteen (14) days of the passage and he/she must explain the reason for such veto to the City Council members at the time of the veto. The City Council members may override the Mayor's veto by a two-thirds (2/3) majority or four (4) of the City Council members within thirty (30) days of the veto.

L. Use of Electronic Devices During Meetings

It is important to remember that communicating with another City Council member or member of the audience or public with an electronic device (i.e.; texting during a meeting) may be a violation of Iowa's open meetings law. As such, any information communicated during such an exchange may be subject to open records laws.

V. Citizen Participation

A. Citizen's Right to Address City Council

Persons other than the Mayor or a City Council member shall be permitted to address the City Council during the "Public Forum" on matters not on the agenda, or public hearing portions of the Agenda or at other times as determined by the Mayor or the City Council.

Persons wishing to address the Council during Public Forum or during Public Hearings shall list their names on a sign-up sheet prior to the beginning of the meeting.

B. Manner of Addressing City Council

C. Time Limit on Citizen's Remarks

An individual citizen shall be limited to three (3) minutes speaking during Public Forum, unless additional time is granted by the presiding officer or a majority of those City Council members present. Total citizen input on any subject under City Council consideration may be limited to a fixed period by the presiding officer.

D. Remarks of Citizens to be Germane

Citizen comments must be directed to the subject under consideration. The presiding officer shall rule on the germaneness of citizen comments. Citizens making personal, impertinent, or slanderous remarks shall be barred by the presiding officer from further comment before the City Council during that meeting.

E. Addressing the City Council after Motion Made

When a motion is pending before the City Council, no person other than a City Council member shall address the City Council.

F. Citizens Using Visual Aids

The use of City projection equipment to display presentation materials to Council will be allowed in circumstances that permit City staff to manage the use of equipment, prepare materials for display, and avoid delay or disruption of the meeting. Any presentation materials must be given to the City Administrator before noon on the day of the Council meeting. The City Administrator will review the visual aid for appropriateness (no nudity, foul language, privacy issues, etc.) and germaneness to City issue. The City Administrator will render a decision on the visual aid by noon on the day of the Council meeting

G. Decorum

1. No person shall disrupt the orderly conduct of the City Council meeting. Prohibited disruptive behavior includes, but is not limited to, shouting, making disruptive noises, such as boos or hisses, creating or participating in a physical disturbance, speaking out of turn or in violation of applicable rules, preventing or attempting to prevent others who have the floor from speaking, preventing others from observing the

MINUTES

WATER/SEWER, STREET/SANITATION COMMITTEE TUESDAY, JULY 16, 2024, 8:00 A.M. JEFFERSON CITY HALL

ATTENDEES: Harry Ahrenholtz, Scott Peterson, Chad Sloan, Chad Stevens, Jim Leiding, Kyle DeMoss, Danny Moranville, Dave Morlan, Dave Teebles, Joyce Richardson

Meeting called to order at 8:00 a.m. by Harry Ahrenholtz

There weren't any concerned citizens in attendance for open forum.

I. WATER

A. Staff – Received 9 applications for the water position. There were 4 applicants chosen to interview. Three interviews took place on Monday, July 15, 2024 and the 4th will be Thursday, July 18, 2024.

B. Lead Service Line Inventory – Kyle updated the following numbers: 8 lead lines, 174 galvanized lines, 551 unknown, and 1329 non-lead lines.

C. Sewer Adjustment- Sewer adjustment approved for \$727.13, due to water leak under a mobile home.

II. SEWER

A. Wastewater Treatment Plant – Danny said everything was still on schedule. There is an add-on to replace the overflow wall in the grit tank. He said that a fiberglass wall is the best cost wise. The second clarifier was to be in service on July 16, 2024. Jim said the pay request

No. 17 will be presented to the council on July 23, 2024 for pay approval in the amount of \$313,818.67.

III. STREETS/PUBLIC IMPROVEMENTS

A. Street Closure for Cruisin' to the Square – Cruisin' to the Square is scheduled for August 8, 2024. We will provide the barriers and they will set them up. Same route as last year.

B. Consider Purchase of Sander – Dave T. said the current metal sander is in poor condition and it needs to be replaced. He provided a quote from Henderson Products for \$38,303.00. This was a budgeted purchase. The committee agreed to the purchase. This is to be placed on the city council agenda for final approval.

C. Consider Streets for Sealcoating / Crack Sealing – Dave T. said Blacktop Service Co. will be sealcoating (chip sealing) all alleys and dead ends on the east side of town except for Adams Street because it had already been done a short time ago. By eliminating Adams Street, it will save \$8,925.00. Crack Sealing has been decided to start with the southwest part of town and the water plant. The water plant will be done first. Dave T. said that he set the cost, with Denco Highway Construction Corp., to not exceed \$45,000. The water plant is not included in the \$45,000. Dave T. said they will start in the southwest part of town doing north/south roads. He said they may only get about half of the southwest part done due to keeping it at the \$45,000.00. This will need to go to the council for final approval.

D. Capital Improvements Plan Update – Jim will move forward to get a copy of a 5-year plan including some longer-term items. Once he has that completed, it will need to be presented to the finance committee. Then, time wise, could possibly be presented to the council in September.

E. Highway 4 – 4 to 3 lane conversion – DOT public meeting has been set for September 23, 2024 at the Rec Center at 5:30pm.

52

F. Sidewalks – Chad Stevens gave an update on the sidewalk improvements happening. The company Geo Concrete, led by Edwin Garcia, is doing the work. The projects currently being done are on last year's budget. They should be done pouring July 17, 2024. Mr. Garcia was going to look at South Locust and South Olive Streets as those have a good number still needing to be done. Chad will look at sidewalks in need again and continue to work with homeowners on financing. He said more have come forward and gotten theirs done since the financing could be extended to 24-month payment terms.

- Dead Trees – Chad Stevens said the first part of August he should have an accurate count of the dead trees, on private property, that will be considered a nuisance.*
- the city's dead tree removal count is more than 600 to date.*

IV. SANITATION/RECYCLING

A. Single – Stream Recycling Update – Dave M. said that the new truck was at the body shop last Friday. Then it will need to have everything else put back on it before it can be delivered to us. He is hopeful within the next few weeks. The new startup of single stream has had a few minor things but overall, it is going well. Many more residents are recycling, and feedback has been positive. The amount of recycling has increased significantly.

B. Waste to Report – 199.86 tons to landfill for June

C. Recycling to Report – 19.41 tons to Carroll for June

ADD-ON – Raccoon Valley Trail – Scott spoke about the bike trail and if the city should look into adding anything. This would tie into the shared used path/sidewalk plans. ISU Extension did a plan back in 2017, Scott is to email a copy of the plan out for the committee to look at. This is to be added to the agenda for the next meeting.

Meeting adjourned at 8:46 a.m. by Harry Ahrenholtz
