Champions are recognized in a variety of ways with trophies, banners, ribbons, cash awards and other special recognition. We are appreciative of countless community members and businesses who contribute to these each year in support of our members and the county fair. Due to swine industry changes globally, marketing swine has changed dramatically. This Swine Exhibitor Premium Fund streamlines money to be divided equally to all youth in the swine program. This will be an equal payment and be for all swine exhibitors to help applaud their work, learning, interest, and investment. Many of these exhibitors are the future of the swine industry and we want to support them having these projects. If you or your business would like to support this fun, please reach out to the Washington County Extension Office at 319-653-4811.

Champions are recognized in a variety of ways with trophies, banners, ribbons, cash awards and other special recognition. We are appreciative of countless community members and businesses who contribute to these each year in support of our members and the county fair. These awards are coordinated by the Extension Office starting in January each year. If you or your business would like to support a special class or department, please reach out to the Washington County Extension Office at 319-653-4811.

Champions are recognized in a variety of ways with trophies, banners, ribbons, cash awards and other special recognition. We are appreciative of countless community members and businesses who contribute to these each year in support of our members and the county fair. Due to swine industry changes globally, marketing swine has changed dramatically. This Swine Exhibitor Premium Fund streamlines money to be divided equally to all youth in the swine program. This will be an equal payment and be for all swine exhibitors to help applaud their work, learning, interest, and investment. Many of these exhibitors are the future of the swine industry and we want to support them having these projects. If you or your business would like to support this fun, please reach out to the Washington County Extension Office at 319-653-4811.
