

The money raised goes toward providing scholarships for youth programs, senior programs, chronic disease prevention and management programs, and memberships for low-income families.

Youth programs include safe and enriching childcare and day camp, swim lessons, community water safety programs, afterschool childcare and afterschool enrichment programs, and youth sports. Senior, recovery and disease prevention programs include Pedaling for Parkinson's, Rock Steady Boxing for Parkinson's, Turning Point for breast cancer survivors, and classes for people recovering from rehab to healthy living.
