

# Drafty Windows ? High Heating Costs ?

## WindowDressers inserts can help!

Window inserts are low-cost, lightweight frames custom made to fit on the inside of your home's windows. They are covered on both sides with a strong plastic film for insulation & air leak sealing. They are reusable for many years and, with your help, are built locally.

**The St. Croix Area – Calais Rotary Club** is hosting a Community Build in Calais in October 2023 to supply window inserts for homeowners *and renters* throughout eastern and northern Washington County.

*Financial assistance is available!*

For more information and to sign up  
for inserts go to

**WindowDressers.org** or **Call (207)-596-3073**
