- A. Consider the student body's request to change Homecoming attendance protocols from those of a school dance to align with prom protocols.

### NOTES:

Dance Guidelines — All school rules and regulations are in effect, including dress code. Students must be in attendance during the school day to be eligible to attend the evening dance. Arrangements must be made ahead of time for guests to attend. Participants must have transportation available at 10 p.m. or the scheduled ending of the dance. No student will be permitted to re enter the building once he/she has left the building. School dances are a privilege; administration reserves the right to prohibit students from attending dances, including prom. All guests must be enrolled in a high school program.

Prom — All dance guidelines above apply to the prom. In addition, a member of the school administration must meet all guest participants who are not currently enrolled at Calais High School. Guests must be 20 years or under.
