## Help Us Continue 45 Years of Compassionate Care

For 45 years, **Down East Hospice Volunteers** has supported individuals and families across Washington County who are experiencing serious illness. A volunteer recently began visiting a local veteran who has no family nearby. They sit together, talk about his time in service, and share a cup of coffee. **It's a small action with big impact.** Moments like this are what our volunteers make possible, and it's one of many moments that our **50+ volunteers** had while serving **32 communities across the county in 2025.**

**We're asking for your support to help continue this work.** DEHV operates entirely through donations and receives no state or federal funding. This June marks the **35th anniversary** of our signature fundraiser, the **Cobscook Bay Road Race**, held in Pembroke on June 7, 2026. **Your donation** helps fund volunteer training and continuing education, gas cards for volunteers traveling long distances to rural communities, and most importantly, ensures that our neighbors don't have to face serious illness or end of life alone.

**Donations received by May 1st, 2026 will be acknowledged on race t-shirts and promotional materials.** Contributions received after that date are gratefully accepted. Silver, Gold, and Platinum sponsors will be recognized on social media, and all sponsors will be recognized on race materials.

### Sponsor Levels

**Platinum** – \$1000+    **Gold** – \$500 to \$999    **Silver** – \$250 to \$499    **Bronze** – \$100 to \$249

#### Donations can be made by check to:

Down East Hospice Volunteers  
24 Hospital Lane, Calais, ME 04619

#### Or via PayPal:

Thank you for supporting compassionate care in Washington County,

A handwritten signature in cursive script that reads "Arielle R".
