SENIOR PRODUCER

Presently, we are seeking to fill one (1) full time Studio Producer position for WYCA-102.3 FM, WSRB-106.3 FM, WYRB-106.3 FM, WPWX-92.3 FM. Job duties include: operating a digital audio console for live, remote and pre-recorded shows. Must be a calculated thinker, must be able to multitask, and have excellent people skills. Must have sharp listening skills and an ear for quality sound. Must have strong technical skills and knowledge of radio production equipment and software. Ability to work well under pressure and meet tight deadlines. Familiarity with industry software such as NexGen audio system and Voxpro. Must have knowledge and experience in running syndicated, satellite and live remote shows. Willingness to work flexible hours, including weekdays, evenings and weekends. Proven experience as a radio producer or in a similar role. Must be self-motivated and able to work well with others as well as unsupervised.

This is a fast paced position which requires someone with critical thinking skills and positive creative energy. Knowledge and use of all mainstream social media applications is a must. This position requires someone with great time management skills and scheduling flexibility.

If you feel you are qualified to fulfill the above position, email your cover letter and resume to: careers@crawfordbroadcasting.com. **Remember to put Senior Producer position in the subject line!**

NO PHONE CALLS PLEASE! IN ORDER TO APPLY FOR THIS POSITION, YOU MUST INDICATE IN YOUR COVER LETTER HOW YOU HEARD OF THIS JOB OPENING.

Crawford Broadcasting Company/Dontron, Inc. is an equal opportunity employer.

The Equal Employment Opportunity Program of Crawford Broadcasting Inc seeks to hire qualified applicants without regard to race, religion, color, national origin or sex, and we ask your assistance on a continuing basis as we recruit for all full and part-time job openings.
