To the Citizens of Marshall,

Due to family commitments, it is with much sadness that I am resigning from my position as Mayor of Marshall.

Circumstances have resulted in my home being put on the market and there is now a contracted offer. The City has many good and time-sensitive matters currently underway, and I do not want to delay the progress being made nor cause confusion about my future.

Along with the City Council, members past and present, I have worked hard and done my best to achieve progress for Marshall. I am happy that there are many positive results because of it!

I will always cheer for the best for Marshall and wish God's blessings on each and every one of you.

Sincerely,

Julie Schwetz
