April 29, 2025

Effective immediately, I am resigning as the mayor of Marshall. There are several reasons for this decision, but I will not enumerate them. I ask that everyone respect this decision.

It has been my pleasure to serve Marshall and I feel that we have made some good gains. I also feel that the city is in good hands as I leave.

Thanks to all that worked with me, and know that I have only fond feelings for our town.

A handwritten signature in black ink, reading "Vincent Lutterbie". The signature is written in a cursive style with a large, looping "V" at the beginning.
