RE: Open Records Request (20-1274)

Dear Brennan Crain:

You requested a copy of the medical examiner's records demonstrating the cause of death and basic demographic data regarding the death of Jeremy Scott Marr, who died in Glasgow, KY on April 14, 2020 after an altercation with Glasgow Police, body cam footage from any officer involved in the altercation with Jeremy Scott Marr, 911 CAD report in connection to the dispatch of Glasgow Police to the home along Cleveland Avenue where Jeremy S. Marr was said to have entered, and any additional video evidence captured such as the Glasgow Electric Plant Board video footage from a nearby substation along Cleveland Ave., pursuant to the provisions of the Kentucky Open Records Act. This information is part of an investigation that is still open; accordingly, your request is denied pursuant to KRS 17.150(2)(d) and 61.878(1)(h), (l). Premature release of any records related to an ongoing investigation in a public forum could result in prejudice to the witnesses and may adversely affect their recollection of the events. Prior to submitting another request to this office for this information, I recommend you contact the Post 3 Records Clerk at (270)782-2010 to determine if the case has been closed.

In accordance with KRS 61.880, if you so request, the Attorney General will review this action and issue a written opinion to this agency stating whether we have acted consistently with the provisions of the Kentucky Open Records Act.

If the Kentucky State Police can assist you further, please let me know.

Sincerely,

A handwritten signature in blue ink that reads "Stephanie Dawson". The signature is written in a cursive style with a large initial 'S'.
