Installer agrees to fully comply with any such guidelines and requirements of which Installer is informed, and to ensure that any Installer personnel performing services for Lencore and/or a Customer also fully complies. Installer acknowledges that Installer may not be permitted to perform services for certain Customers if Installer fails to comply with such COVID-19 guidelines and requirements and that Lencore may terminate the Agreement in such instance in Lencore's sole discretion.
7. **Confidentiality.** During the term of this Agreement, Lencore may disclose certain confidential or proprietary information (the "Confidential Information") to Installer. Installer acknowledges and agrees that such Confidential Information is and will be the sole and exclusive property of Lencore. Installer will promptly notify Lencore in writing of any such claims, suits, actions or proceedings, and Lencore reserves the right, at its expense, to participate in the defense of any such claims, suits, actions or proceedings involving Lencore. Installer agrees to cooperate with Lencore in any such defense.
9. **Miscellaneous Provisions.**

- a. **Applicable Law.** All of the rights and duties of the parties arising from or relating in any way to the subject matter of this Agreement, including without limitation, all disputes of the Parties arising out of or in connection with this Agreement, shall be governed, construed and enforced in accordance with the laws of the State of Indiana, without giving effect to any conflict of laws or choice of laws rules. Any action to enforce, challenge or construe the terms or making of this Agreement or to recover for its breach shall be litigated exclusively in the Commercial Court of the State of Indiana located in Marion County, so long as such court has subject-matter jurisdiction over such action, and that any cause of action arising out of this Agreement shall be deemed to have arisen from a transaction of business in the State of Indiana; provided, however, that Lencore may elect, at its sole and absolute discretion, to litigate the action in the county or state where any breach by Installer occurred or where Installer can be found. Notwithstanding anything to the contrary contained herein, in the event that Lencore is a party to an agreement obligating Lencore and any of its subcontractors to specific dispute resolution requirements and/or governing law, including but not limited to, choice of law, forum, venue, or arbitration or mediation clauses, Installer hereby also agrees to be bound by those same obligations.
- b. **Successors and Assigns.** This Agreement shall apply to, be binding upon, and inure to the benefit of the Parties, and their respective officers, directors, agents, servants, employees, corporate affiliates and/or subsidiaries, predecessors, administrators and successors, except that this Agreement is not assignable by Installer without Lencore's prior written consent. Any written notice is deemed to have been received: at the time of its delivery, if sent by personal delivery, registered mail or prepaid courier; on the seventh (7th) day following its sending, if sent by first class prepaid mail; or, on the second (2nd) day following its sending, if transmitted electronically. The notice addresses may be changed at any time by either party with prior written notice as provided above. The following addresses shall be used for electronic mail delivery for notice purpose: if to Lencore the notice email address is po@lencore.com; if to Installer, the notice email address set forth on the Purchase Order.
- e. **Severability.** If any portion of this Agreement is ruled to be invalid or illegal, the remainder of this Agreement shall be unaffected and enforceable, unless such partial invalidity negates the intent and substance of this Agreement.
- f. **Entire Agreement.** This Agreement constitutes the entire understanding between the Parties with respect to the subject matter addressed herein. This Agreement supersedes any prior understandings, representations, or agreements, whether oral or written, concerning the subject matter hereof. This Agreement may not be modified or amended except by a written instrument duly executed by all parties. Any and all change orders must be in writing and signed by a Lencore officer.
