ALTOONA MOUNTAIN LIONS

The Altoona Mountain Lions finished with a record of 4-7 last season after losing to Williamsport 36-14 in a District 6, Class 6A Sub-Regional Playoff Game at Williamsport.

With seventeen players from last year's team having graduated, twenty-two letterwinners look to return the Mr. Lions to their winning ways.

Head Coach Vince Nedimyer Jr. is encouraged by the offensive line, defensive line and several skill position players.

A member of the Mid-Penn Conference Commonwealth Division, the Mt. Lions open their season at Mansion Park against non-conference foe Hollidaysburg on Friday, August 26th.

STATE COLLEGE LITTLE LIONS

It looked like it was going to be a disappointing 2021 season for the State College football team, as they had a record of 4-5 heading toward the playoffs. But head coach Matt Lintal got his team ready, and peaked at the right time, going on a four game winning streak, before falling to eventual PIAA champion Mt. Lebanon in the state semifinals. The big win came a week prior when they upset District three champion Harrisburg, 17-14. One position the Little Lions have an abundance of experience is at quarterback, where Jack Morris, Finn Furmanaek, Owen Yerka, and Ian Brandt all played a role in the success for State College. Defensively, State High has a pair of seniors in John Scott and Stephen Scourtis who were tackling machines, each racking up over 100 tackles in their junior campaigns. State College opens up the season against Williamsport, a team they defeated 17-14 in the playoffs last year.

BISHOP GUILFOYLE MARAUDERS

The Bishop Guilfoyle Marauders are coming off another state championship season in 2021. The Marauders began the season with a 1-2 record, but then a game 3 winning streak turned their fortunes around, leading them to a 6-4 finish. BG then defeated Purchase Line, Homer Center and top seeded Juniata Valley to claim the District 6 1A Championship.

BG then went on to the PIAA Class 1A state playoffs where they defeated Canton 20-7 in the Eastern Final at Mansion Park before travelling to Hershey where they defeated Redbank Valley 21-14 to capture the PIAA 1A Championship for the 4th time under Head Coach Justin Wheeler.

The 2022 Marauders will feature several key pieces from the state championship team including Quarterback Karson Kieswetter, Running Back Copper Rother, and Dominic Yanoshak. BG will compete in the rugged Laurel Highlands conference and in PIAA Class 2A for the 2022 season. BG has been in the state championship game 5 times since Coach Wheeler took over the program.

HOLLIDAYSBURG GOLDEN TIGERS

The Hollidaysburg Golden Tigers are replacing 9 starters on offense and 10 starters on the defensive side of the ball.

Heading into the season Hollidaysburg expects Tucket Rossman and Drew Wyland to split time at the quarterback position.

Isaiah Burket is returning as a starting on the defensive side of the ball. Burket was one of the top cover corners for

Hollidaysburg last season. This season he should see some additional time on the offensive side of the ball and on special teams.

The offensive line will have a number of new starters that have really put in some hard work and gotten a lot bigger and stronger during the offseason. The group includes Josh Hoover, Jacob Ott and Colin Padamonsky saw some time on the line last season. Ryan Priel, Hunter Albright, Aiden Bilek and Jefferson McCoy will be in the mix along with Adam Kanish.

On special teams the Golden Tigers are returning one of the best kickers Ben Sosnowski is the number 1 ranked kicker in the state of Pennsylvania in the Kohl's kicking rankings. Sosnowski has a field goal range of over 50 yards in practice and has hit from as long as 56 yards.

Hollidaysburg is remaining as an independent team for the 2022-2023 season. They have added several new opponents this season including Allegany (Cumberland, MD), Butler, Oil City, Selinsgrove and DuBois. They also travel to Altoona, State College, Fort Hill, Bellefonte, and Tyrone.

CENTRAL SCARLET DRAGONS

The Central Scarlet Dragons came up 1 game short of the State Championship last season losing to Central Valley 35-21 in the semifinal game, ending their season with a 14-1 record.

While 13 players from last year's team have graduated, the Dragons look to continue their quality

play as Jeff Hoenstine will be at the helm of the offense and will be joined in the backfield by running back Hunter Smith.

Head Coach Dave Baker hopes the defense will continue their stingy ways having held opponents to just over 14 points per game last season.

The Laurel Highlands schedule will begin at Bishop Guilfoyle on Saturday August 27th.

TYRONE GOLDEN EAGLES

Coach John Franco will lead the Tyrone Golden Eagles into the final year of the Mountain League Conference with reasons for high expectations.

The Golden Eagles return many starters from last year's dominated sophomore and junior squad which finished 5-6. Included in this mix will be sophomore quarterback Ashton Walk who passed for over 1,000 yards while starting only half the season at quarterback.

Joining Walk in the backfield will be junior running back Brady Ronan who is coming off a fine sophomore season.

With the return of senior Ross Gampe, and an experienced offensive and defensive line the Golden Eagles look forward to making some positive waves in the Mountain League Conference this season.

Tyrone opens the season at home on August 26th against Bellwood-Antis in the annual Backyard Brawl.

BELLEFONTE RAIDERS

Bellefonte will look to continue to build under second year head coach Vaughn Donmoyer, who went 2-8 in his first year at the helm of the Raiders, defeating Huntingdon and Philipsburg-Osceola. The Raiders will be young but do bring back some experience, including quarterback Trevor Johnson who threw four touchdown passes, along with Dominic Capperella who led the team in receptions with fifteen. As it happens so often with a young team, it's important to get off to a good start, as they open up the year at home against Selingsgrove, before having back to back games against rival Penns Valley and Bald Eagle Area.

PENNS VALLEY RAMS

Entering last season, Penns Valley only had one starter back on each side of the football, but with veteran coach Marty Tobias, the Rams surprised people going 6-5, which included a playoff spot in the district six playoffs. Tobias, now in his 27th season with Penns Valley, brings back more experience than he did a year ago, including multi-purpose back Ty Watson, who rushed for 584 yards and nine touchdowns, along with catching nineteen passes out of the backfield Jackson Romig will throw the ball for the Rams, where he had twenty touchdown passes last season. Penns Valley is always tough to play against, and their defense will Always keep them in the game. The Rams open the season against Line Mountain.

BALD EAGLE EAGLES

With the final year of the Mountain League, Bald Eagle Area looks to be one of the contenders to bring home a title back to Wingate. Under the direction of Jesse Nagle, in his 7th season at the helm of the Eagles, they are poised for a breakout season after going 8-3 a year ago. The Eagles will look to their sophomore quarterback Carson Nagle to lead the BEA offense.

Nagle comes off a solid freshman campaign, where he averaged over 170 yards per game through the air, along with sixteen touchdowns. He will have several of his weapons back including Camron Watkins, Kahale Burns, and Gavin Eckley who each had over thirty receptions a year ago. Defensively the Eagles have their leading tackler back in Tre Greene who recorded 98 tackles. The Eagles will get tested early including a showdown against Clearfield in week two. Following that, they will go on the road for four straight games including the annual Curtin Bowl against Bellefonte in week three. Bald Eagle Area opens up the season on August 26th against Troy.

PHILIPSBURG-OSCEOLA MOUNTAINEERS

Philipsburg-Osceola continues to make strides with head coach Jeff Vroman, who is in his third year in his second stint with the Mounties. (fifteen years overall) Before Vroman took over three years ago, P-O was forfeiting games, but now his team is competitive, and looking for bigger things, after going 2-8 last season. The Mounties lost their top three rushers from last season, but feel that they have some younger talent that could be more balanced offensively this season. Ben Gustkey will lead the Wing-T offense after throwing eight touchdowns last year. The first game of the season is a big one right off the bat for the Mounties as they take on rival West Branch, in what has been a game that has gone down to the wire since the two teams renewed the series a few years ago.
