OUTREACH ACTIVITIES

Attachment B contains a list and brief description of activities undertaken pursuant to the FCC's EEO rules during the time periods covered by this report. The stations have engaged in the following outreach activities:

RADIO STATION TOURS

We routinely give group tours of our facility at 2513 6th Avenue Altoona, PA 16602, to organizations such as Boy and Girl Scouts, school groups, individual students, and other similar groups. The tours provide an introduction to the Radio Broadcasting Industry and are offered for free. A typical tour includes information on the history of Radio and our stations. We explain and demonstrate the broadcasting equipment used to transmit programming from the studio to the transmitter site, we explain the studio equipment and how it functions. An introduction and hands-on recording of commercial production is demonstrated. An explanation of all positions and responsibility of station personnel is also given. We discuss our stations and coverage areas. The tours are given by station personnel in programming, sales, or production teams. To request a tour, contact: Jody Stevens, at Lightner Communications 2513 6th Avenue Altoona, PA 16601 or Phone: 814-943-6112.

Due to COVID precautions, no tours were given in this period.

INTERNSHIP PROGRAM

We provide internship opportunities to students as requested. We create a program that allows students to earn college credit for hands on experience at the radio station. The Internships are designed to meet the needs of the radio station and academic requirements of the college or university where the student is enrolled. Students may work with any staff members to fulfill their Internship. Promotional interns help plan, implement, and recap ways to market and promote the stations. They attend Remote Broadcasts for the stations and help promote the event. For this period, we had internships as per the following:
