

# LARRY KUDLOW SHOW

## **LARRY KUDLOW** **Free Market Defender**

### Stories that Shape Our World

He's interviewed everyone from George W. Bush and Henry Kissinger, to Robert Reich and Chuck Schumer. Larry Kudlow is one of the most recognized names in both Washington and on Wall Street. Having served in both the Reagan and Trump administrations, Kudlow is a passionate defender of capitalism and free-market economics - and never holds back.

The CEO of his own economic research and consulting firm, Kudlow brings over three decades of financial experience to listeners.

Kudlow also brings the "fire": the numbers for his streaming time slot increased 250% on WABC once he came on air. The Larry Kudlow blend of experience, integrity and a clear-eyed vision of the economic/political landscape makes for engaging, informative talk!
