

THE RITA COSBY SHOW

RITA COSBY **Triple Threat**

Stories that Shape Our World

Rita Cosby is a powerful triple threat. A three-time Emmy-winner with high-rated primetime gigs on both Fox News and NBC, Cosby is also a best-selling author, and winner of multiple radio awards. She's received numerous "Gracies" for Outstanding Host and Outstanding Talk Show. In 2018, Radio Ink named her "Most Influential Woman Legend of the Year."

With Rita Cosby, you're guaranteed "can't miss" stimulating conversation - that will keep listeners tuned in night after night.

Rita has a particular genius for pushing past the "fluff" questions and digging deeper. Her newsmaker interviews range from Andrew Cuomo and Tom Hanks, to Bruce Willis and Pope Francis, Hillary Clinton and six U.S. Presidents including Donald Trump.
