**America's Mayor**

Stories that Shape Our World

As U.S. Attorney in New York, he took down mafia bosses; as “America’s Mayor,” he lifted up the city, and the nation, in the months after 9/11. Rudy Giuliani has never been shy about tackling the issues he’s passionate about. That’s earned him a reputation as both a blunt truth teller and one of the most entertaining figures in media.

Over his storied career, Rudy has become among the most well-connected figures in politics. His insider access to people like former President Donald Trump offers insights on the hot topics of the day that you won’t hear anywhere else.
