

JOHN CATSIMATIDIS

Common Sense

Stories that Shape Our World

John Catsimatidis, a true self-made billionaire, philanthropist, and former NYC mayoral candidate, talks with some of the nation's top newsmakers every Sunday morning on The Cats Roundtable. From politics to pop culture, Senators to media personalities, John gets to the heart of what's really going on in politics, business, science, and the world!

John's interview style is about finding the truth – the balance in every story. His honest and straightforward approach allows his guests to relax and deliver candid answers that set headlines.
