## **Red Apple Audio Networks Celebrates Black History Month with 90-Second Vignettes Available to All Stations Throughout February**

***Hosted by RAAN Personalities Dominic Carter and James Golden, aka Bo Snerdley***

New York, NY -- January 28, 2024 – Red Apple Audio Networks has produced a library of 90-second vignettes that celebrate **Black History Month** and are available to all radio stations throughout February. The vignettes honor the contributions and legacy of African Americans across U.S. history and society.

RAAN air personalities **Dominic Carter** and **James Golden, aka Bo Snerdley**, share stories about notable black figures from activists and civil rights pioneers to entertainers, politicians, scientists, and athletes, who broke through racial barriers, including: **Harriet Tubman, Sojourner Truth, Martin Luther King Jr, Malcom X, Rosa Parks, Louis**

**Armstrong, Sidney Portier, Muddy Waters, Thurgood Marshall, Jackie Robinson, Kobe Bryant, Clifton Wharton, and more.**

The RAAN Black History Month Vignettes are available to radio stations for download upon request. Stations may contact: [affiliation@redappleaudionetworks.com](mailto:affiliation@redappleaudionetworks.com).
