### **Red Apple Audio Networks and WABC Radio Announce *AM/PM Market Reports* with Global Financial Expert John Terrett**

*Twice Daily Reports Begin Monday*

*Available to Stations Across the Country*

**New York, NY – January 9, 2026** -- Globally recognized financial and business analysis expert and on-air broadcaster **John Terrett** has been announced as the host of the **Red Apple AM/PM Market Reports**. The twice daily features air Monday through Friday during morning and afternoon drive times and deliver concise market intelligence from one of the most respected names in financial circles.

Every weekday, Terrett goes beyond headlines to offer actionable insights on Wall Street's latest movements, key economic indicators, and emerging business trends. His focus is on the stories behind the boardroom maneuvering, rather than the cold hard numbers.

"More than ever before, listeners need clarity on what's happening on Wall Street," stated **John Catsimatidis**, Owner and CEO of **Red Apple Media**. "John (Terrett) has been a guest on my Sunday program, *The Cats Roundtable*, many times, and his exceptional understanding of the financial world arms listeners with the knowledge they need to make smart financial decisions."

Every weekday morning, the AM report features crucial pre-market trading activity that prepares listeners for the day. In the afternoon, the PM report is a comprehensive recap of market action and economic developments.

“I am delighted to join the Red Apple family and look forward to reaching listeners across America with valuable insights that will help them maximize their investments,” said Terrett. “I want to thank John (Catsimatidis) for this wonderful opportunity.”

Terrett has extensive experience as the New York correspondent for a number of high-profile international TV news channels, including the BBC, al Jazeera America, al Jazeera English, China Global TV, and as a radio anchor and producer for CNBC. He's spent the best part of the last eight years reporting from the Trading Floor of the New York Stock Exchange, for viewers as far away as London, Nairobi, and Beijing.
